President's Message

Welcome to the O.R.S.A.

I would like to help new centres to get involved in O.R.S.A. playdowns. For help ask any of the O.R.S.A. executive in your area.

For your information there are great programs through Softball Ontario. To find out what there is go to the website www.softballontario.ca

If we all work together things should go very smoothly. I would like to wish all players and teams good luck in the next two years.

The Ontario Rural Softball Association

Co-Operation Invited . . .

Your co-operation in adhering strictly to these Rules and Regulations is earnestly requested by the President and Executive of the O.R.S.A. and in doing so you will be rendering a great service, as well as upholding the good reputation that this Association enjoys from the sporting public.

Keep the newspapers well informed as to the outcome of each League game, also league standings. Newspapers are glad to have this news. Officers of all home Clubs are requested to prevail upon newspaper reporters to list accounts of all games under the heading of O.R.S.A. (Ontario Rural Softball Association).

League Secretaries must furnish the Association Secretary with the names, addresses and phone numbers of all Club Secretaries.

All together for a bigger and better O.R.S.A.

Co-operation is the key to success.

After all, it's a small world we're living in, when one gets mixed up in Rural Sport. You get to know hundreds of real sports who become a real asset to you in the business world.

The spirit of Rural Sport is embodied in the following phrase:

For when the great Scorer comes to write against your name,

He writes not how you won or lost, But how you played the game.
